

Cookie Policy

Cookie Policy

Binfinity uses cookies to make its websites more personal and user-friendly and to monitor visitors. This way, your settings are saved by means of cookies and the content can be better tailored to your preferences.

We use Google Tag Manager to manage cookies from the following third-parties:

- Google Analytics
- HubSpot
- LinkedIn

My cookie settings

  **Functioneel:** Deze cookies zijn vereist, oa om je cookiekeuze op te slaan.

  **Statistieken:** Met deze cookies verbeteren we onze website en daarmee jouw ervaring!

  **Marketing:** Worden gebruikt om je relevantere advertenties aan te kunnen bieden op platformen van derde partijen.

Security

Binfinity has taken the appropriate technical and organizational measures to protect personal data against loss or any form of unlawful processing. In this way we ensure that personal data is only accessible to employees who are authorized to do so by virtue of their position and that we use the personal data only for the purposes for which they were obtained and compatible purposes.

Binfinity uses Secure Sockets Layer (SSL), a protocol that guarantees privacy for communication on the internet and is designed to prevent eavesdropping, interference or falsification of messages, to protect sensitive information online and to protect user information offline. If you are on a secure page, then your browser must indicate that you are on a secure site.

Changes to this Privacy Policy

Binfinity reserves the right to change the privacy policy. Therefore, read this privacy policy regularly. If you have any questions about this policy, please contact us via hello@binfinity.net¹
